Our World . . .

it's a little different
from everyone elses.
It's a small school
(about 740, 7-12)
We learn on our own
(I.S. time, mods, unipaco)
We live in the country
("We're just a bunch
of farmers!")

But
When we're out to win
(in sports, in fine arts,
or in academics)
We do.
It's our way,
It's our world.

This Spring, Mr. Garman is retiring from teaching after serving at Leo High School since 1943. His career in teaching has covered many facets of the Educational Program. Mr. Garman coached many teams, two of which were County Tourney Champions. His interest in the physical growth of students made summer baseball programs possible as well as making baseball a regular school sport. Graduates of Leo will always remember Mr. Garman as a teacher who made them learn even when they did not care.

To Mr. Garman we dedicate this in appreciation of all his time, effort, and love. We wish him the greatest happiness and good fortune. We shall greatly miss you, Mr. Garman.

Deb Behm takes time out to read "Lions Country"

Our homecoming this year was based on the theme, "The Fabulous 50's". Everyone had fun getting into the spirit by dragging out their bobbysocks, saddle shoes, crewcuts, and ponytails to help boost the Lions to a victory. Other preparations also included the pep session, float contest, and the traditional bonfire.

And then there was the Bunny Hop . . .

"FIFTIES'S RUMBLE ENDS IN VICTORY" The Lion's football team took the homecoming theme with them on the field and rumbled the patriots to a 25 to 20 victory. Craig Chapman scored first for the Lions on a 44 yd run and Dan Butler kicked the extra point for a 7 to 0 lead. In the final quarter a 25 yd pass from Phil Bollier to Dan Butler countered a Heritage touchdown and gave the Lions the margin of victory, ----25 to 20.

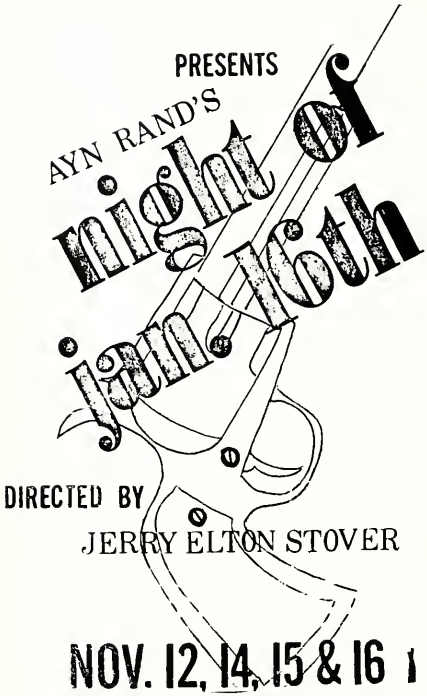
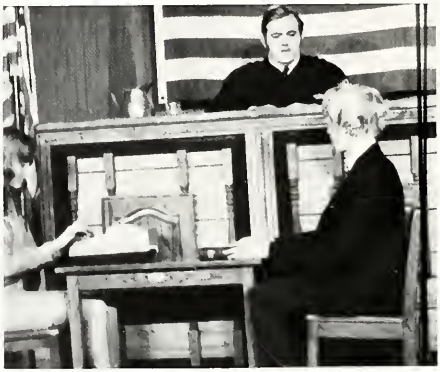
LEO HIGH SCHOOL DRAMA CLUB



Heavily made up "characters" filed casually into the room. Before them stood a judge's box and a witness stand. The audience could be heard saying "I know her!" "Who IS that?" "I wonder if I'll be called on."

On November 12,14,15, and 16, Leo High School Patrons were treated to an evening of theater. The comedy-drama NIGHT OF JANUARY 16th was presented by the senior high drama club under the direction of Jerry Elton Stover. The Audience was readily caught up in the excitement of the trial and twelve of its members even became the jury, deciding for themselves the verdict.

Room 118 became not only the center for a play, but also a place to escape into the "real-life" world of crime, and lawyers, and witnesses, for, as each performer did his lines, made her gestures, made his crosses, and developed her character, the audience did not once waver from wondering if Karen Andre really did kill Bjorn Faulkner . . . or did his wife do it out of jealousy, or perhaps his father-in-law in order to protect the family name and interests, or maybe Larry Regan, the gangster, killed Faulkner . . . In any case, Mr. Stover and his club proved again that time and effort well spent always make a success!



ABOVE: The courtroom is called to attention as Judge Heathe (Bill Purcell) gives instructions to the clerk (Eric Ball), and the recorder (Amy Schwartz).
RIGHT: The Swedish housekeeper (Marla Amstutz) is very biased when it concerns Karen Andre.

LEFT The handwriting expert (Dorene McKee) took the part over the last day before the production due to another actress's illness.
ABOVE The frumpy cleaning woman (Lori Morgan) gave an excellent performance as a person who likes to over react.

ABOVE A somewhat "shady" detective (Charles Stailey, shows Mr. Flint (Paul Schwartz) how he "saw" Karen Andre PUSH Faulkner over the ledge.

OUR TOWN

Kyle Sowers and Tony Hudson played the boy and girl fated to fall in love and live life.

In April the Senior High Drama Club presented the legendary, and timely, OUR TOWN. For four nights, Thornton Wilder's play, a favorite of Mr. Stover's, captured the hearts of old and young alike. The story of a boy and a girl growing-up in a small New England town at the turn-of-the-century gave its audiences the opportunity of looking into their lives. As Mr. Stover aptly reported in his program notes, "If you recognize Leo and Grabill, it is on purpose."

Fifty-four students participated in making the Drama Club's Spring production a memorable one With his outstanding cast of principals, Mr. Stover brought out the message of OUR TOWN: "We fail to realize life while we live it." Stong performances by Kyle Sowers, Gordon Julius, and Tony Hudson made the message quite clear, especially for those who had lived similar experiences. Able support was given by Vic Baumgartner, Elizabeth Buckles, Dawn Robbins, and Brent Klopfenstein, as well the rest of the large cast.

The Leo High School audiences own much to its fine performing groups. Thanks to Mr. Jerry Elton Stover and his Drama Club one more production has been added to the list of "outstanding".

RIGHT: Gordon Julius, playing the STAGE MANAGER, narrated the play and filled in the details of settings and action that were purposely missing from the play.
CENTER: The first act of the play showed The Daily Life. From a typical scene of that act, we see the morning routine of getting ready for school. Robin Butler played Georges little sister, Rebecca. Beth Buckles played Mrs. Gibbs, George's mother, with all the professionalism she could master.
RIGHT: As Mr. Webb, editor of the local paper and Emily's father, Vic Baumgartner did an excellent job. He was lated as saying, "I wish I haged waited so long to get into a play."

TOP LEFT TO RIGHT: As one of the harried mothers, Dawn Robbins was delighted as the conservative Mrs. Webb, Emily's mother. Brent Klopfenstien, as Dr. Gibbs the overworked but concerned town doctor, managed to not only rehearse every night, but also to participate in Spring Sports. He became Mr. Stover's favorite "jock!" Kurt Harris played the difficult part well, giving his Stimson all the needed bitterness and sense of betrayal needed to make such a part sympathetic. Kevin Roth, a junior high student, played dual roles of brothers. Joe and Sye Crowell delivered newspapers. Jeff Platt, played the amiable and simple Howie Newsome, town milkman. David Martin, whiskered and covered in make-up, made a humorous Professor Willard, Wilder's symbol of "the walking encyclopedia." Even hardworking actors get hungry. Thanks to Mrs. Nancy Julius, the cast and crews were provided with a good dinner at the last dress rehearsal.

PROM

Prom King and Queen for the 1975 Jr.-Sr. Prom were Barry Bender and Pat Galbraith (OPPOSITE PAGE)
RIGHT: Master of ceremonies was Conrad Beachy.
BELOW: The officers table.

The 1975 Leo Jr.-Sr. Prom was held at The Imperial House. The Junior Class Officers who put everything together and deserve recognition were Conrad Beachy, Reg Klopfenstein, Stephanie Sylvester and Beth Buckles.

After a dinner of Ham, Turkey, Whipped Potatoes, Corn, Tossed Salad and Sherbert, the King, Queen and Selected Seniors were acknowledged.

After the theme song was played by radio station WMEE, an evening of dancing was enjoyed by all, with music provided by Grunfus.

Selected Seniors included Dawn Robbins, Vic Baumgartner, Kyle Sowers, Mark Heller, Deb Wells, Leroy Delagrange, Debbie Stein, Dawn Roth, Cheri Henderson, Tom Crabill and Bill Sanders. After the selections, music was provided by the group Grunfus. After the organized prom, couples broke off and went to the many after prom activities such as parties, bowling, and possibly home to sleep off an active evening.

MAY 25, 1975

Graduation on May 25, 1975 was a source of relief for some and a time of sadness for others. In the blistering heat, 95 seniors made their debute as new citizens of the world. After all received their diplomas, and marched off no longer as seniors, the tears began, and so did the rain. Many will be attending college, vocational schools, and others will hold jobs, or just "bum it" for a while. To everyone, we say good bye, and good luck.

THE SENIOR CLASS OF 1975 BELIEVES:

"Not Just Live and Let Live, but Live and Help Live."

The Senior class officers for 1975 were Kyle Sowers serving as President, Dawn Robbins as Vice-President, Deb Wells as Secretary, and Lisa Urbine as Treasurer.

The class of 1975 graduates at last. After 12 years of work and fun, it's over--or is it? We'll long remember our teachers, and we can never forget our friends, after all, it's the people that make the school, right?! We had it all this year; Senior Privilages, more traditional classes, and of course, the "Zim Gang".

This years Senior Class was 86 strong. It was lead by an all girl team-Dawn, Kyle, Lisa and Deb. We chose pastel green and yellow as class colors, the yellow rose as class flower, and the motto "Not just live and let live, but live and help live".

Many of the seniors excelled in their fields. Dawn Robbins and Dawn Roth in vocal music, Mike Augustyniak, Scott Kipfer, Bryan Myers, Eric Garrison and Kent Zimmerman made the ACAC squads in football, and the Senior Class itself won the float contest at the homecoming activities.

A very busy year with the prom, graduation, and all the hassles that occur with graduation; cap & gown measurements, ordering invitations and senior pictures. It only happens once, then it's over.

So with a certain amount of sadness, and with eyes to the future, the Class of '75 says good-bye to LHS.

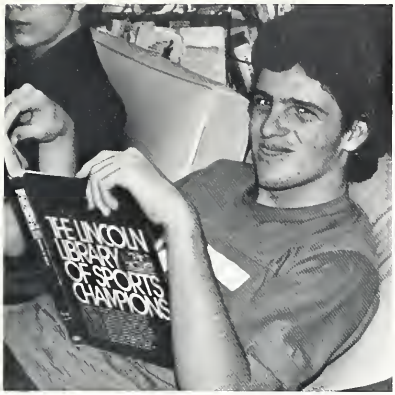
FACES WE'LL REMEMBER



Artur relaxes with a book on his favorite subject . . . SPORTS!

Maria working in L. A.

This year, Leo High School was very fortunate to receive two exchange students from Brazil. Maria, a Junior, and Artur, a Sophomore. They spent six months with us, learning on the MSP program, making friends, and having fun.

In learning about the U.S., they have shown us the ways of Brazil, and in exchange, their stay has been an interesting and very pleasant experience for all.

Maria and Artur enjoying the Class Tourney.

Maria and Artur work in the IMC on their American Homework.

Football at Leo has finally climbed the ladder of success with the best record for a Leo team at 8-1. The major success of the team was due to the teamwork and enthusiasm of the squad.

The headline getters this year were Mike Augustyniak, Scott Kipfer, Kent Zimmerman, Eric Garrison, and Bryan Myers as All-Conference selections. Mike Augustyniak also set a school record, rushing 1030 yds. in 134 carries.

Someone also very important to the team was Mr. Steinhouser. He was in charge of the "suicide squads" who were tough all year.

The honorary Co-Captains were Scott Kipfer and Eric Garrison. The underclassmen are looking forward to next year with the "Little General", Coach Lake, and having an even better season.

They are looking forward to helping the Varsity Squad next year.

The Freshman Football team did very well this past season with a record of 6 & 1. They managed to tally up 219 points to their opponents 80.

As the boys who were on the freshman team this year move to the reserve level, competition in future years should produce similar records.

1974-1975 was supposed to be a rebuilding year for the Lions. The team consisted of four seniors and eight juniors.

Lead by Coach Butt, who is in his second year of coaching at LHS, they ended their season with a 13-10 record. He put this young, determined team all together. After taking his Lions to their first Dekalb Sectional, they came home, having won it all, with the Lions first Sectional Championship.

The men who lead the team were: Bill Sanders as the leading scorer and rebounder, and Leroy Delegrange as the leading assist man.

A very memorable season for the seniors who will be leaving, but an even more memorable year to come.

This year's Reserves had the best record ever for a reserve team at Leo High School. They ended their season with a 16-2 record, losing only to Bishop Dwenger, and Woodlan in the Holiday Tourney.

Terry Troyer lead the team with 129 rebounds, and had a 47% field goal percentage. Gary Platt was the teams leading scorer with 180 points in 17 games. Don Carey lead the team in assists with 44, and had a free throw percentage of 71.

The major success of this team was due to "bench strength."

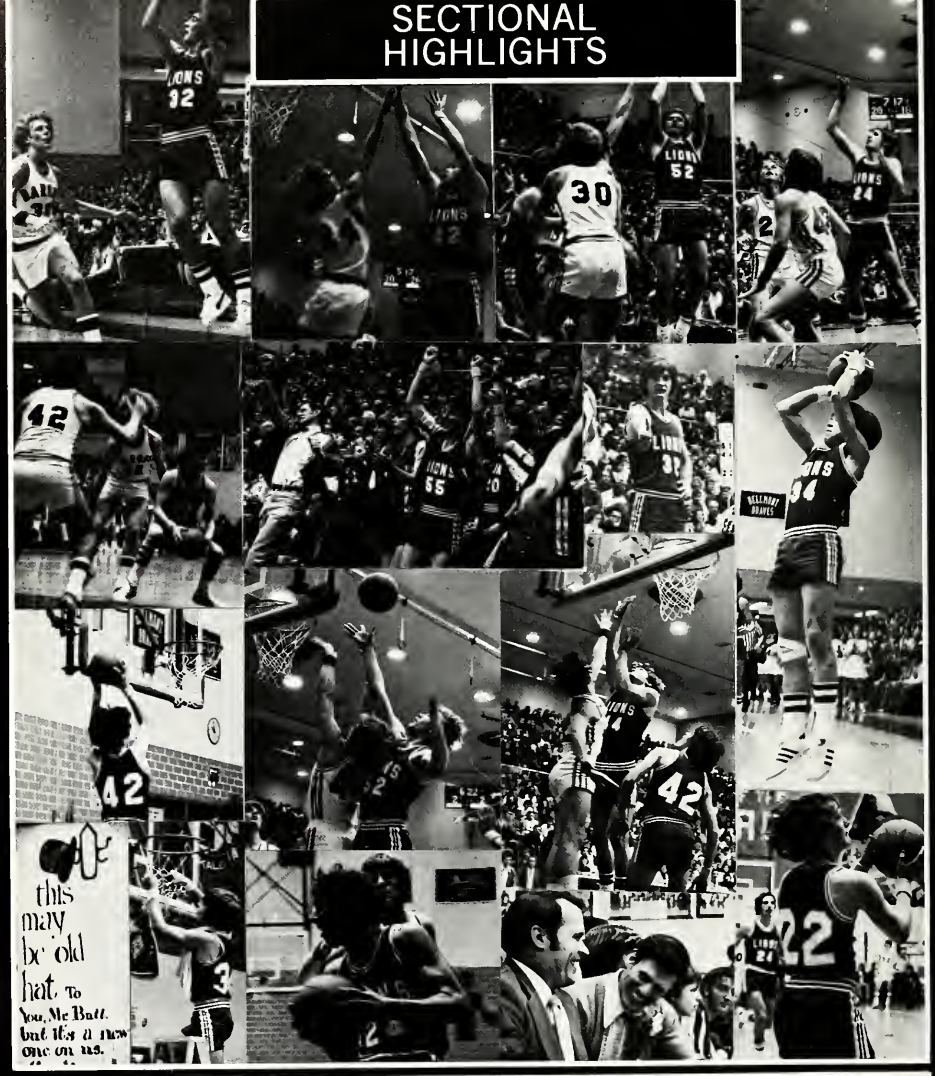
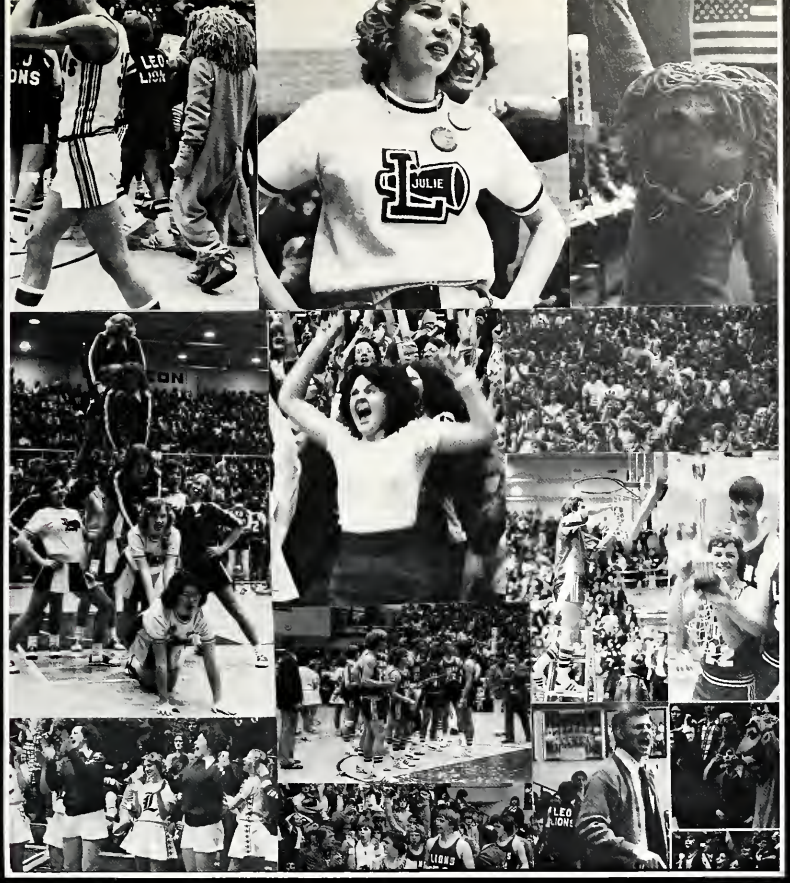
1974-1975 SECTIONAL CHAMP

SECTIONAL HIGHLIGHTS



ANGOLA-SECTIONAL GAME 1:
They say you need a little luck to win a championship; they're right. With a half-time lead of 39-20 the Lions went to the locker room thinking about #2, what they were doing after the game, if they wanted something to eat, but they sure didn't come out to play basketball. With 1:23 left in the game Leroy hit a one and one to go ahead 59-57. Angola hit one free throw and got the ball back, but missed the last shot of the game. At one time the Lions had a 24 point lead. They were ready to play a full game against Garrett.



GARRETT-SECTIONAL GAME 2:
Ready to play a full game, the Lions concentrated on stopping Garretts' guarders. If they could succeed in doing this, they felt they could win. They did! Half-time score was 34-33 our favor. The 3rd quarter the Lions came out smoking, our scoring the Railroaders 20-9. With that lead the Railroaders fought hard, but never could get back into the game.

DEKALB-SECTIONALS FINALS:
Confident we could win a sectional, we left the lockeroom. Wow! The fans were yelling their heads off as we looked up into the stands, we can't let them down! We Didn't! The first Sectional Championship even won for Leo. It wasn't only a great team effort. We also have to thank the cheerleaders support, the fans, school, parents, and the community, for backing us to victory.

Trailing most of the first-half. The Lions took a 17-16 lead and went to lead 28-22 at half-time. DeKalb fought back but could never get closer than 5 points. Then came the celebration all week. it was a good feeling having a first Sectional Championship at Leo.

NORTHSIDE-REGIONALS:

The celebration all week might have hurt the team; they didn't play very well throughout the whole game. Only behind 20-26 at half-time, after playing a bad firsthalf. They just couldn't get it together and the 2nd half they were slowed by the strong Northside team 68-39.

With all the Juniors that played this year, let's hope they learned something that will help them next year.

The freshmen, with a 12-4 season, feel this is an excellent record for them because they lost two of their starters to the reserve team. Even with this, the team had depth on the bench and a good solid team effort on the floor. Two main reasons for success, team effort and a good team attitude.

Leaders in the seasons totals were; Herb Maier with 221 points, and 87 rebounds. Barry Delegrange with a 59% field goal percentage. Robbie Robbins at 73% from the free throw line, and Tim Christman with the most playing time which is attributed to his all-around ability.

CLASS TOURNEY 98

1974-1975 CLASS TOURNEY CHAMPS

JUST DOIN' WHAT COMES NATURALLY

Cheerleading elections were held in April of '74. Dawn Robbins was chosen Capt. of the Varsity Squad, and Rosan Butler Capt. of the Reserves.

The Varsity attended the ACC Camp in West Baden, IN. Both squads went to a clinic at Northside during the winter.

Tears of joy, and tears of sadness combined to make the squads at Leo true cheerleaders.

The VARSITY CHEER LEADERS of 1974-1975 were Sara Liechty; Pat Oddou; Dawn Robbins, Capt; Kathy Neuhouser; and Stef Sylvester.

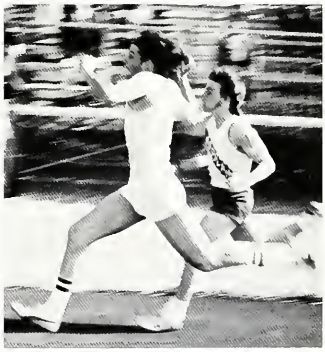
A lot of hard work was put into this years track team. Much effort and determination was shown by every individual, making the Lions a success.

EFFORT + SWEAT = SUCCESS



BACK ROW; Coach Hey, Mgr. Gary Roberts, Robbie Robbins, Rick Gerke, Conrad Beachy, Kerry Miller, Gary Platt, Eric Garrison, Phil Bollier, Kent Zimmerman, Asst. Coach Butt. FRONT ROW, Mgr. Doug Schaefer, Mgr. Randy Acra, Mike Fries, Chuck Gee, Barry Delagrange, Vince Kipfer, Don Carey, Bob Norton, Herb Maier, Glenn Gerke.

This years team was very young with 2 seniors, 4 juniors, 2 sophomores, 8 freshmen. They played unconsistantly throughout the whole season. When the sticks were working the defense wasn't, when the pitching was good, the hitting wasn't, etc. Highlights of the year were beating Northside and Southside two of the tougher teams in the city. In Sectional Angola beat us by 1-0 score. The run was scored on errors to show how the season went. Next years team should be tough with all the experience of this season.

ACAC CHAMPS!!

Pizza, anyone?

The GAA TRACK won the ACAC this year, with a little luck and a lot of hard work. Afterwards Miss B. treated them to pizza and pop. They didn't do bad at sectionals either.

YEARBOOK STAFF

Well supposedly at the end of every rainbow, there's a pot of gold, and at the end of every yearbook, there's a note from the editor. Maybe the pot of gold isn't always easy to find, but the note sure is.

First of all, there's the thank-ya's. Thank's and a lot goes to my assist. Editor, Kelli, who was my right hand whenever I needed one (about 99.9% of the time); Mona & Sherry, who did GAA and some day be editors themselves. Todd who took care of the Jr. High section and his assist., Brad; Conrad & Phil who did the boys sports and kept us entertained when things got dull. Erlene & Elaine, Lane, Jodi, Roxanne, Lisa, Lora, and Dave who did many pages for other parts of the book.

And of course Mr. Hoot who put up with missed deadlines, missing pictures, money, ads and generally kept us going by getting whatever we needed.

Also to everyone who put up with the yearbook staff; the business office, office, and many teachers. It really is the whole schools book.

Hopefully we managed to catch just a part of what made Leo "Our World!"

Robyn
